

Want more control on your practice?
Can't get hands around billing?

High patient turnover?
Low receivables?

AllDigital is Your Way Out of All Worries!
1800-696-1271

ABOUT US

- ✚ AllDigital is a US Corporation with locations in NJ, FL and TX with state of the art back office processing facilities in India.
- ✚ We help solve the unique challenges of our medical practitioners with our high quality, affordable onshore/offshore business model, talents and proven technology.
- ✚ What makes AllDigital different is our laser sharp focus on your practice, and the methods we would employ to optimize your operations for increased profitability.

OUR SPECIALTY

- ✚ Medical practice management with specialty in medical billing, coding and claims processing.
- ✚ While the physicians take care of the patients, we take care of their operations and billing.
- ✚ While the physicians strive for patients' recovery, we strive for the physicians' recovery from their lost piece of mind due to non-optimized practice operations, billing and collection.
- ✚ When the insurance carriers say no, AllDigital says yes!

WHY ALLDIGITAL

At AllDigital, we will spoil you with attention and responsiveness because AllDigital

- ✚ Is an easy company for business partnership.
- ✚ Would respond immediately and solve problems in hours as opposed to days.
- ✚ Is small enough to treat you as a strategic account, and capable enough to meet your growing needs.
- ✚ Would improve your revenue by 10% to 40%.
- ✚ Would enhance your staff productivity using a hybrid offshore model and cutting-edge tools.
- ✚ Would assist you in improving your staff morale, compensation, and overall job satisfaction.
- ✚ Would eliminate any need to make up-front expenditures in billing hardware and software.
- ✚ Would minimize the investment of your time for working with staff.
- ✚ Would take you off from overly depending on the office staff for billing yet utilizing the staff time for enhanced productivity.
- ✚ Would enable you to serve your patients better and retain them for life.

SERVICE COMPONENTS

Although billing and coding is our specialty, we offer a complete business process solution for your medical practice that is optimized, efficient, smart, and make a good business sense. This includes, but not limited to, appointment scheduling, demographic entry, handling all aspects of your billing from submitting claims to billing patients to accounts receivable, full practice analysis, regulatory compliance, credentialing and medical transcription.

DIFFERENTIATION

Qualified Resources – Experience counts! That's why the experience, knowledge and skills of our staff are among the highest. We have an exclusive training facility for all of our new hires. This qualifications, skills and experience contribute to boosting up collections for our clients by timely identifying down-coded errors, illogical or inappropriate coding, and timely submission of the claims.

Ability to Use any Billing Software – AllDigital staff is trained to use any medical billing software. Our staff is able to use remote access technologies for accessing a medical billing system that may be residing only in your office. Yes, we are capable of using your existing system!

Exclusive Denial Management and Practice Analysis – With our expert and aggressive denial management coupled with comprehensive review and analysis of a medical practice, we have a proven track record escalating operational efficiency and boosting up average collection by 10% to 40% per month.

Under Your Control – You and your staff want access to your billing information, claims status, and patient data right now! With AllDigital's service, we guarantee you to have that for you with a simple click of your mouse virtually from anywhere, whether you are in the office, at home or somewhere else on a business trip or on vacation.

Customer Service and Tech Support – You get the attention, responsiveness, quality, compliance, rapid turnaround and care that you can expect only from a top-tier company. We would beat any competition and exceed your expectation!

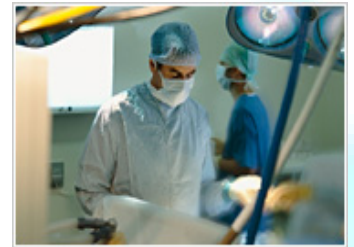

Transparent Off-Shore Processing – Our off-shore operations will remain transparent to your day to day operations, your staff, patients and insurance carriers. We provide toll free and US local numbers for contacting us. Call us 24X7!

Significantly Lower Processing Fee – Our off-shore business model will bring significant cost savings to you, with continued higher standard of service without compromising quality.

Satisfaction Guaranteed, No Binding Contract – That's right! You will never be bound to stay with us and free to go any time if we are unable to satisfy your business needs! Therefore, you assume no risk by agreeing to be served by AllDigital. This enables you and your staff to try AllDigital's service, support structure, and above all, how it feels to partner with AllDigital – with no binding obligations.

SECURITY & HIPAA

Alldigital maintains a state of the art computer processing facility that is secure and strictly complies with US regulations such as HIPAA. As a US Corporation, we would sign a service agreement with your practice that is enforceable by US laws. Therefore, your security and regulatory risks and exposures would be adequately controlled.
